

But don't just take our word for it.

"We took Sam's excellent advice and have been inundated with viewings and had three offers - all for the asking price."

*Catherine & Gareth, Newbury*

"The whole experience was interesting and enlightening; Sam was tactful yet honest, a pleasure to work with."

*David & Amy, Tunbridge Wells*

*the right advice to sell your house*

All that stands between you and selling your home...

...is knowing *why* it hasn't sold.

**hometruths**

*the right advice to sell your house*

## Frustrating, isn't it?

All around you, it seems other houses are selling, regardless of the state of the market.

Your estate agent may have advised you to drop your asking price, de-clutter, or redecorate.

Still, you have had no success.

Perhaps you have changed estate agents, but it hasn't made any difference.

**Knowing why your house hasn't sold will get you on track to attract the right buyer.**

## A few expert home truths will help.

**HomeTruths** are home sale strategists.

Our expertise is in understanding why your home hasn't sold, and what to do about it.

We are not house doctors or estate agents, but we understand how these roles are performed well and give comprehensive advice on what will work for you.

**Become one of the limited number of clients we serve each year, and we will create a bespoke sale strategy for you, then support you through the changes.**

## Proven expertise, at your service.

A decade of helping frustrated sellers move on to their new lives has made us confident in our ability to help you.

We're independent and unbiased. You'll find our support to be motivating, enthusiastic and most of all, honest.

**Now is the time to get the right advice to sell your house.**
